WANTED: A COLOR CAMERA

It's a shame to photograph Grace Carroll and not capture her fiery red hair. Yet,

> she still takes lovely pictures, 'cause she's so Grace-ful. Yes?

Though part French, Grace has a colleen's smile to prove that one grandma came from Erin.

She's done bits in movies and fans who've seen her have developed an appetite for a heavier diet of this pert redhead.

Grace has hair for technicolor, has shape for cinemascope, tool

She has talent to boot in her twinkle toes. Dancing in Reno she was golden at Golden.

In Vegas they were "sahara" when she left the Sahara to do film.

SHEER BEAUTY

Luscious Janet Johnson is the latest "find" of Bunny Yeager, famous model and photographer. Janet's a Hollywood (Fla.) gal and her breath-taking loveliness is destined to make her a Hollywood (Calif.) star. Guys will be waxing loud about this Johnson, whose glamor will shine on for a long, long time!

A country girl originally, Janet was planning to become a student of agriculture until Bunny Yeager discovered her and convinced her to model. Now she plans to try acting.

Like most Florida girls she loves outdoor activities, especially swimming in the surf. Since she's bright it was easy for her to learn to "surf" up beauty before the photogs.

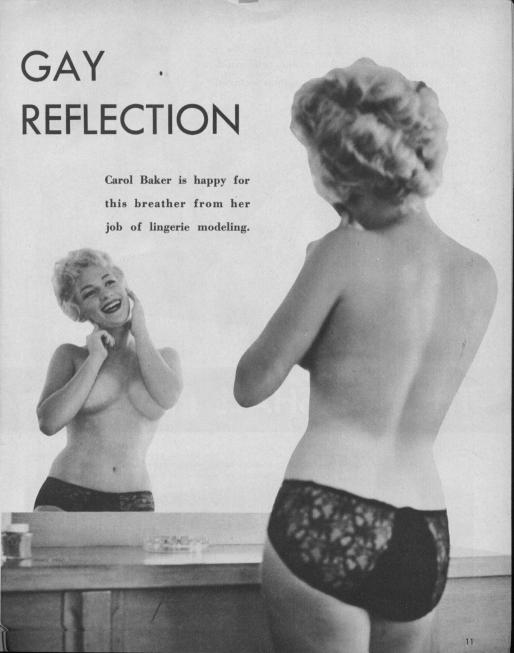

Nobody laughs when Jean Jani sits down to play. The reason is that in addition to being an ornament to the piano, Jean's got a real talent for tickling the ivories. It's sweet music, even just to look at!

Though she swims and hikes, Judy's no tomboy. It's obvious!

HOME on the range doesn't mean tending the kitchen stove to sultry blonde Judy Piacenti. No sir! It means out there on the plains where the deer and the antelope roam and where the skies are not cloudy all day. Judy's an outdoor lassie all the way, and the irony of the situation is the fact that she's a native of New York City.

Yet, this curvaceous beauty is making her desire pay off, 'cause fotogs find her one of the best outdoor models around. She has that natural, healthy look. What's more, Judy gets plenty of healthy looks, too!

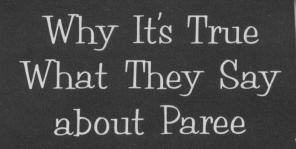

OUTDOOR GAL

Effervescent Judy
Piacenti is a doll who
loves those wide-open
spaces. A date with
Judy is bound to get
even the healthiest
guy punchy on air!

Barefoot gal with charm that's the way fotogs describe Judy, who'd never get lost in woods.

Folies Bergere beauties are among the lowest paid showgirls in the world. But, brother, do they love the work!

PAREE—city of light and lovelies, citadel of sex ala Francaise and a town where what's here today is real gone tomorrow! Yessiree, 50 million Frenchmen may not always be right, but they sure don't mind going wrong—particularly since there's no harm in it, and what goes on (and comes off) is really setting the style for the rest of the world at play. With night clubs like the Eve, Friede's, the Moulin Rouge and Les Naturists, no wonder the city rocks from dusk to dawn.

Here it is, a zing-side seat to the zestiest

WHY IT'S TRUE WHAT THEY SAY ABOUT PAREE...

where customers were provided with fish poles and told to hook onto loops in the exotics' costumes! There are peep shows and weep shows, gore at the Grand Guignole, and if you're fancy there is a Left Bank existentialist hang-out, the Doorway to Hades or the Bucket of Blood will give you all the local color you'll ever desire. In the Spring or in the Fall, wherever your pedal extremities take you, you'll find fascinating femmes, ranging from movie stars like Brigitte Bardot to sexotics like Laine Moreau, who does the Dance of the Seven Veils with only one. Not even the Seine is overlooked, as any gendarme who has ever raided a midnite swim party can tell you, (that is, if he's not assigned to the Beaux Arts Ball-where you definitely don't dress.) Yes sir, things really happen beyond the blue horizon of the Atlantic and that's one of the reasons Paree will always rock and roll. But don't take our word for it, grab a look for yourself at Paree behind-the-scenes, and ahead of the times! Voila!

In this novel beauty contest at the Taboo, customers were invited to place-the-face. Or the figure!

50 million Frenchmen didn't go wrong when they nicknamed Domenica (40-24-36) Paree's 'Venus.'

Oh, to be Sick!

In her native Los Angeles, Jan was a tomboy all during her school years. It's a cinch her classmates wouldn't recognize her now.

Luscious Jan Parker makes our temperature go up, our pulse quicken and our head spin. We know there's nothing wrong, but we might as well be sick. Why not? This beauty's a nurse.

her income so she can become an MD.

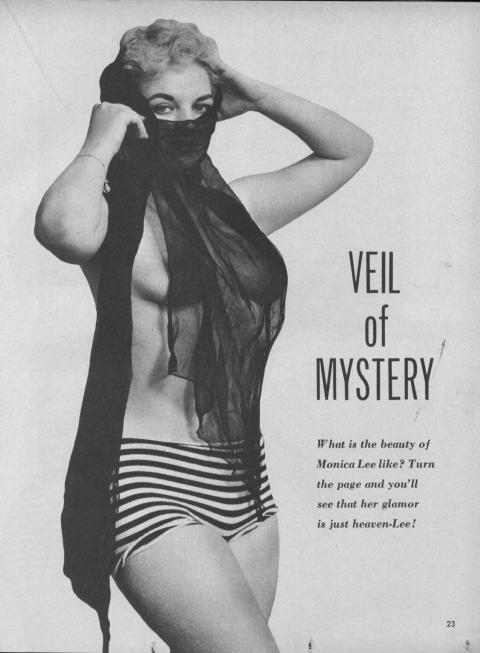

Like the heroine of "Spellbound" Jan wants to be a psychiatrist. With her as a doctor, it would be fun to have a neurosis and be spellbound by her beauty.

... deserves another, and here she is in the appealing person of Barbara Turner, a girl who really doesn't have to depend on reflected glory-she has charm aplenty by any name.

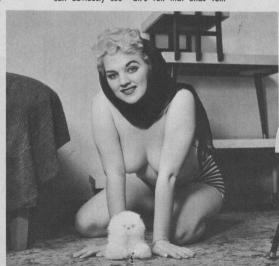

Veil may give Monica aura of mystery but you have to admit she does more for the veil than it does for her.

Cleverly she turns her veil into a snood. Here she shows you how to be popular — through veddy snoody.

So what if Salome did have seven veils! Monica shows what can be done with only one. As you can obviously see — all's veil that ends veil.

Even in quiet repose, Vicki's compressed vitality would power a rocket ship to the most distant planet in space.

HEAT RAYE

Scientists should try
to harness the volcanic
energy that propels
torso-twisting Vicki
Raye in an exotic dance.

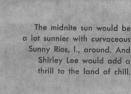

When Vicki struts her stuff she is a seething cauldron of rhythm. The high, shrill wail of a hot-jazz clarinet never fails to turn her into a wild whirling Dervish—and the heat's onl

Everything's streamlined these days, including sales talks. But when these lovelies invade the polar regions it's a cinch they'll have the blubber boys running around in Arctic circles!

HOW TO SELL BATHING SUITS TO ESKIMOS ... (CONTINUED)

There was a time when all an Eskimo did during summer was fish and hunt to lay away stores for winter, but any day now you'll probably be hearing about beauty contests as these swimsuits hit the Arctic markets. Those Nanooks of the North are a cinch to trade their pemmican for a polka-dot Bikini, complete with chassis, especially the kind of curvaceous forms displayed by this bevy of beauties headed by Sunny Rios, Shirley Lee, Hope Diamond and Laura Saadi. In fact, if things keep going the way they are it wouldn't surprise us to read an ad for Arctic wolf's cap. Ice cap, that is!

Minsky's Igloo featuring fabulous femmes on frozen runways-even if the runways wouldn't stay frozen long. It may still be true that it's a tough job to sell ice boxes to the Eskimos, but what bothers us is that no one ever thought they might be interested in bathing suits. And, since seeing is believing, here's the reason we know every polar playboy is ready to drop his sales resistance and head for the nearest Greenland general store. Buying bathing suits for beauties like these is a feather in any

Who could ask for anything more than Bobbie Burt's 38-24-34 frame to make a picture any artist would love to paint? Who needs an Arctic landscape with scenery like this?

How fur can a polar bear's fur go? Fur enough to grace Sue Sorrell!!

Polar nights are six months long, but a charmer like Hope Diamond makes the daze last all year!

Ice boxes? Eskimos may turn 'em down but none would nix a not-so-frigid dish like lissome Laura Saadil

And who wouldn't pass the word that even better'n Byrd would be an expedition by Wanda Waiteside, I.?

TEXAS BRAND OF BRANDY

D-a-double l-a-s spells Dallas—and the guys down there are no longer the mos' happy fellas since beautiful Brandy Bryan left for Hollywood. This 20-year-old Brandy is of the blue-ribbon variety—mild and easy to take. Fotogs expect her to win even greater prizes!

AMERICA'S GREATEST INSTITUTION

Who wouldn't agree with the polls where magnificent lean Adair is concerned? The combination of her charms and dancing ability rates her high among gals preferred.

Beautiful Eve Marlowe adds fuel to the fire in presenting this posed proof that blonde bathers look better in bikinis.

LES BLONDES

Do you agree with the current surveys that gentlemen prefer blondes—that more blondes wear mink, marry younger?

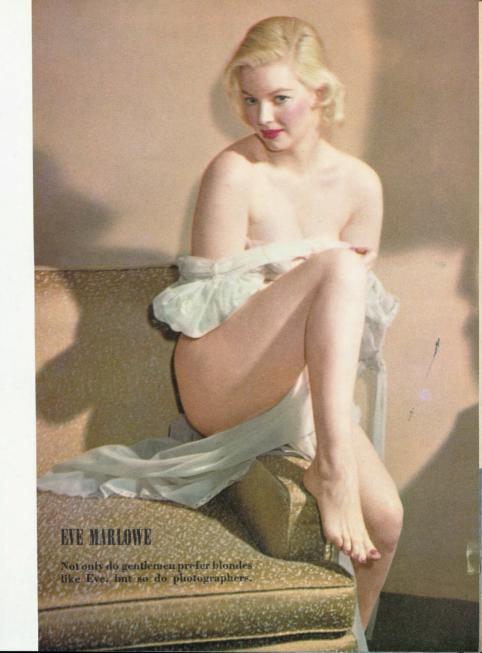

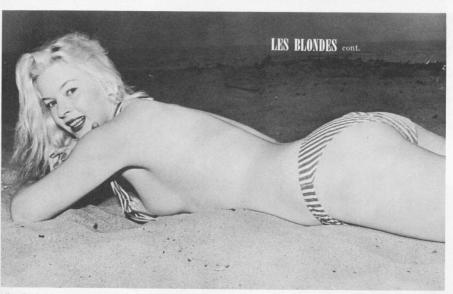

It isn't hard to see why lovely Jean Adair is so popular with audiences. Her lissome figure, graceful movements and radiant smile all add up to a Jean-uine delight. Here's one bird dance that isn't for the birds!

JEAN ADAIR

A favorite light subject is gorgeous, glowing Jean Adair, who puts the spark in many a show with her sensational and eye-appealing bird dance.

All poll takers must agree that a blonde like Eve Marlowe can be spotted up to one thousand yards on any given beach.

TARS IN HER AYES

Adele Baker says she likes having sailors in her audience. "They're so appreciative and enjoy my dancing so much," says she. But a guy doesn't have to be a sailor to enjoy her brand of entertainment. She wows GIs and civilians, as well as the bell-bottom trouser boys!

NAME THAT JUNE!

Beauties named June are busting out all over in modeling these days, so can you unmask this eyeful named June M——?

If you couldn't place the face perhaps you placed the pace—'cause June McCall's always busy, busy!

When not racing her sport car, current FROLIC cover girl's a cinch to be posing for photographers.

That lucky ol' sun spends lots of time these days shining on lovely Ann Cummings. And her bright beauty easily outshines old Sol.

Smile from Ann would brighten day.

As much as she'd like to, Ann doesn't spend all her time in the sun. She's a busy TV actress and has many daytime shows-to give stay-at-homes a break.

A QUEEN NAMED KING

Take a regal title, a royal chassis and queenly bearing and who've you got? Why, Alexis King, natch, a beauty queen you don't have to go to London to see! Just cast an eye on these pages and bow in homage!

Queen King's really democratic, likes men who share her interests in progressive jazz, Hemingway and bowling.

Her gorgeous highness has grown used to puns being made on her name and takes them with good grace, says she doesn't feel queenly after work.

Do You Make These

SEX MISTAKES?

With Illustrations

If husbands only knew how much they are missing they would not wait another moment to read "Sex Life in Marrisgo." Many men (even those who have been married a long time) don't get half the delight because they don't know the knack of sexual intercourse!

WHO IS TO BLAME?

But this is not all. What of the wife? In all too many cases she is cheated out of her sex rights. The sex act becomes a one-sided affair. The husband thinks his wife is at fault. The wife thinks her husband is to blame. The marriage itself is in danger!

TELLS WHAT TO DO AND HOW

Actually, both must learn exactly what to do before, during, and after sexual intercourse. In "Sex Life in Marriage." Dr. Oliver M. Butterfield gives detailed directions to both husband and wife.

Using plain words, this famous Marriage Counsellor tells what must be done, and what must not be done. The "Secrets" of sex life are clearly revealed—hishand and wife fall in love anew—the home is held together! Worry and anxiety disappear.

Sex mastery replaces doubt. Married life becomes doubly delightful because the joys of marriage are shared by both!

WILL YOU SPEND \$2 TO SAVE YOUR HAIR?

How many hard-earned dollars have you spent to save your hair? How many hair tonics, gadgets, restorers, electrical devices, have you tried in the last few years — with no success? How many times after an unsuccessful hair-growing attempt have you sworn not to spend another cent on another hair treatment?

Yet, you buy the next product that comes on the market with hairarowing claims.

Stand in front of a mirror, take a long hard look at the top of your head. What have you to show for the money you spent on hair restorers? Do you have as much hair as one year ago? Do you see any signs of new hair, or new hair growth? Why the failure?

CAN YOU GROW HAIR?

Doctors who have spent a lifetime studying hair and hair growth have concluded that nothing now known can grow hair on a bald head. So, if you are bald, prepare to spend the rest of your life that way. Accept it philosophically and quit spending hard-earned dollars on hair growers.

If you can't grow hair—what can you do? Can you stop excessive hair loss? Can you sove the hair you still have? Can you sove the life expectancy of your hair? Probably. Please read every word in the rest of this statement carefully, since it may mean the difference to you between saving your hair and lossing the rest of it to eventual BALDNESS.

HOW TO SAVE YOUR HAIR

Itchy scalp, hair loss, dandruff, very dry or oily scalp, are symptoms of the scalp disease called seborrhea. These scalp symptoms are often warnings of approaching baldness. Not every case of seborrhea results in baldness, but doctors now know that men and women who have this scalp disease usually lose their hair.

Seborrhea is believed caused by three parasitic germ organisms (staphylococcus albus, pityrosporum ovale, microbacillus). These germs first infect the sebaceous glands and later spread to the hair follicles. The hair follicles atrophy, no longer can produce new hairs. The result is "thinning" hair and baldness.

Many men and women suffer needless worry and heartache as they peer into the mirror at their retreating hairlines. Worse, they suffer needless loss of hair because today sebor-rhea can be controlled—quickly and effectively—by treating

your scalp with the amazing scalp medicine called Ward's Formula.

DOUBLE MONEY BACK GUARANTEE

In seconds, Ward's Formula kills the three parasitic germ organisms retarding normal hair growth. This swift germicidal action has been proven in scientific tests by a world-famous testing laboratory (copy of laboratory report sent on request). Ward's removes infectious dandruff, stops scalp itch, brings hair-nourishing blood to the scalp, tends to normalize very dry or oily scalp. In brief Ward's Formula corrects the ualy symptoms of seborrhea, stops the hair loss it causes. Ward's Formula has been tried by more than 350,000 men and women on our famous Double-Your-Money-Back Guarantee. Only 1.9% of these men and women were not helped by Ward's and asked for their double refund. This is truly an amazing performance.

Why not join the men and women who have successfully ended their troubles? Treat your scalp with Ward's Formula. Try it at our risk. In only 10 days you must see and feel the marked improvement in your scalp and hair. Your dandruff must be gone. Your scalp itch must stop. Your hair must look hicker, more attractive, and alive. Your excessive hair loss must stop. You must be completely satisfied—in only 10 days—with the improved condition of your scalp and hair, or simply return the unused portion for Double Your Money Back. So why delay? Delay may cost your hair.
